

The attached form requires your approval in order to activate your Track Day Ticket Pack (TDTP) purchase.

Please print out the agreement and read it thoroughly.

After doing so sign and date it, then fax or mail to the address below.

If you have any questions, feel free to contact us.

Thank you for your business and we'll see you at the racetrack!

Track Day Ticket Pack Confirmation Agreement

Keigwins@thetrack, Inc. Track Day Ticket Packs (TDTP) are much more restrictive than track days purchased individually. These rules will be adhered to in all cases. This agreement must be signed and submitted before your ticket pack can be activated.

TERMS:

1. The TDTP must be paid in full at the time of purchase.
2. The TDTP is for an individual rider and is not transferable under any circumstances.
3. Tickets may be used for any track event or school
4. A few "premium" track events impose an \$80/day fee. This is to be sure attractive dates are booked by Keigwins instead of being turned down because they are not affordable. Premium track events are cited on the event calendar. (Note: it is permissible to assign two tickets per day to a premium event rather than pay \$80 per day, at the ticket pack holder's option.)
5. Canceling a trackday reservation with at least two weeks notice does not spend a ticket. Canceling inside two weeks does spend a ticket!
6. Trackday reservations may be moved around, with at least two weeks notice, with the same freedom as individually purchased track days.
7. The TDTP is non-refundable. There is a 10-day cooling-off period during which a full refund may be made. If a ticket has been already used there is no cooling off period.
8. There is no "8th day free" program with TDTPs.
9. Extra trackdays beyond the ticket pack quantity are purchased at the regular price. (I.e., if you use up your 10 pack and want to do another trackday, you buy it like everyone else.)
10. It is not possible to convert a TDTP to another ticket pack (e.g., 5 to 10, 10 to 20 or 20 to 10) once a ticket has been used.
11. It is not possible to convert money spent for trackdays or schools that have already been attended towards a TDTP. However, if you reserved future trackdays with payment you may convert those funds toward a TDTP.
12. Unused tickets expire at the end of the calendar year.
13. To sign up for a trackday or school, once a TDTP is purchased, go to "2010 Events" --> "Sign Up Now", then click the "Use Ticket Pack" tab of our website (www.keigwin.com) and specify the event date and group preference. Or email, fax, mail or phone Keigwins with your request. Do not use the website "Purchase Events" shopping cart tab which WILL result in a charge to your credit card. If the group for the trackday or school is full you may be placed on the waiting list.

I have read all of the above outlined terms and hereby agree to accept these rules and conditions and wish to activate my Track Day Ticket Pack.
